

PARTICIPATORY 3-DIMENSION MODELLING TRAINING
Dates: 13th – 31st August 2007

Application Form

Background Information

1. Personal Details

Full Names: _____

Address: _____ City/Town: _____ Country: _____

Tel: _____ Fax: _____ Mobile: _____

E-mail: _____ Website: _____

2. What is your position in your organization

- a. Director []
- b. Programme officer []
- c. Others (specify) : _____

Your experience in community mapping/ Participatory GIS practice

3. How would you describe your previous experience in community mapping/ practicing PGIS?

- a. I am new to the practice. []
- b. I have assisted to some participatory mapping exercises as an observer. []
- c. I have read about participatory mapping and PGIS but never practiced it. []
- d. I have participated to several exercises as key informant. []
- e. I have organised and facilitated some participatory mapping exercises. []
- f. I have a solid experience in the practice, including community mobilisation, PLA facilitation techniques, participatory mapping, networking and communication. []
- g. I have experience in mapping (cartography / GIS), but not in participatory mapping []
- h. Other (please specify): _____

4. What methods and tools have you used

- i. PRA/ Sketch mapping []
- j. Scale mapping with transparencies []
- k. Participatory 3D Modelling (P3DM) []

- l. Ortho photo-mapping []
- m. Participatory Satellite Image interpretation []
- n. A combination of the methods listed above supported by GIS applications []
- o. A combination of the methods listed above supported by GPS and GIS applications []
- p. Personal Digital Assistant (iPAQ/ PDA) []
- q. Others (specify): _____

5. In which context did/do you apply community mapping/ PGIS practice

- a. Asserting ancestral land and resource rights and entitlements; []
- b. Supporting collaborative planning and management of lands and natural resources; []
- c. Promoting equity in terms of ethnicity, culture, gender, environmental justice, hazard mitigation, etc []
- d. Managing and ameliorating conflicts amongst and between local community groups, and between communities and higher-level authorities or economic forces; []

- f. Others (Specify): _____

Your organisation

6. What best describes the kind of organization you represent?

- a. Community-based Organisation []
- b. Non-Governmental Organization []
- c. International Organization []
- d. Government Organization []
- e. International Financial Institution []
- f. Private Sector []
- g. Educational/Think Tank/Research []
- h. Others (specify): _____

7. What is the geographic coverage/ mandate of your organisation

- a. Local []
- b. National []
- c. Regional (operating in several countries) []
- d. Others (specify): _____

8. Do you have a GIS facility within your organisation?

- i. Yes []
- ii. No []

9. If yes, what components does it have?

a. Hardware

- i. Desktop computers []
- ii. Digitizing Tablets []
- iii. Plotters []
- iv. Printers []
- v. Other (specify): _____

b. Software

- i. ESRI (Arc View, Arc Info, ArcGIS) []
- ii. Idiris []
- iii. MapInfo []
- iv. Open Source (Specify): _____
- v. Other (specify): _____

c. Spatial datasets

- i. Topographic sheets []
- ii. Satellite images []
- iii. Aerial photographs []
- iv. Others (specify): _____

d. GIS Personnel

- i. GIS Manager/section head []
- ii. GIS data clerk []
- iii. Other (specify): _____

10. If no to 8 above, does your organisation have arrangements with other organisation/s that provide GIS services

- a. Yes []
- b. No []
- c. N/A []

11. If yes in 10 above, specify the name of the organisation/s: _____

12. How often do you source for assistance from this/these organisation/s

- i. Weekly []
- ii. Monthly []
- iii. Quarterly []
- iv. Yearly []

v. Others (specify) : _____

13. Which services do you out-source from this/these organisation/s

i. Data collection []

ii. Data analysis []

iii. Map Composition []

iv. Map printing []

v. Other specify: _____

14. Do you have any experience in participatory exercises

i. Yes []

ii. No []

15. If yes in 14 above, specify

i. Community mobilisation []

ii. Facilitation []

iii. Others(specify): _____

16. What will be the immediate use of the knowledge that will be gained from this training

a. Sensitization about participatory mapping []

b. Conducting participatory mapping with communities []

c. Training other development practitioners []

d. Others (specify): _____

Training Fees

17. How do you intend to cater for the training fees?

a. Self – sponsorship []

b. Organizational/institutional Sponsorship []

c. Other (specify): _____
